Volunteering at Langside College

Volunteering is one way you can make a difference to others, to your community and to the environment. It can also help you develop essential skills required for life.

Many employers see volunteering as a positive addition to your CV. We can help you find a volunteering placement.

Volunteering is given a high priority at Langside College. The ENVOY Award is presented annually to a nominated student volunteer.

If you already volunteer, we can help you gain recognition for this via a Millennium Volunteers Award or College certificate.
