

LEARNING BY VOLUNTEERING

LEARNING BY VOLUNTEERING PROJECT ACHIEVEMENTS

SUMMARY OF KEY ACHIEVEMENTS

The ten key achievements of the Learning by Volunteering project are set out below.

(1) The establishment of a clear fit between national and government strategies and the benefits of volunteering at Scotland's colleges

(2) Compelling evidence of the role of student volunteering in delivering the objectives of Curriculum for Excellence

(3) Increased awareness of the benefits of volunteering and adoption of good practice by college staff and students

(4) Successful measures to embed volunteering into the college curriculum by formally recognising the achievements of student volunteers

(5) Capture of good practice and case studies in support of volunteering at Scotland's colleges

(6) Adoption of formal volunteering policies at Learning by Volunteering partner colleges and formal agreements with local Volunteer Centres

(7) Creation of a Learning by Volunteering web site and toolkit for use by all of Scotland's colleges

(8) Creation of a comprehensive impact evaluation report for the Learning by Volunteering project

(9) Delivery of a well-attended national dissemination event for the Learning by Volunteering project

(10) Creation of a national Learning by Volunteering awards competition to celebrate examples of volunteering excellence by college students

Further details about each of the above achievements can be found in the project report on the Learning by Volunteering website: <http://learningbyvolunteering.org/project-findings>
